Subject: GKM - Surveying for Pipe Run

Hi All,

I just talked with Ken Schaaf, at the San Juan County Surveyor Office. He said that the surveying of property boundaries is being done by the county per their jurisdictional duty and that time spent will be billed to the EPA. It sounds like there is not a choice on this issue (at least from my end), with this in mind do we still want Goff to come repeat the same work.

Thanks,
Elliott
